SUBJECT: **FY25 BACK TO SCHOOL BREAKFAST**

School Food Service (SFS) has three "Welcome Back Breakfast" menus available for you for the beginning of the school year. Please note we are unable to offer the Welcome Back Breakfast on Monday, August 5, as our team has mandatory training that day. However, we can certainly accommodate any other days that week. If you are interested in having us cater a breakfast for your staff at the beginning of the year, please reach out to your School Food Service Manager. Please see the attached flyer with 3 different per person food packages available.

In order for SFS to ensure we have all the orders, please complete the attached order form. If you do not want to take advantage of this opportunity, please select "Breakfast Not Requested" on the order form. The form should be completed and returned to the cafeteria manager no later than May 3, 2024. This date will ensure availability and delivery of products; your timely response is appreciated.

SFS is looking forward to another great school year and to having the opportunity to be of service to you, your students, and your staff.
