SUBJECT: **TAKE OUR DAUGHTERS AND SONS TO WORK DAY - APRIL 25, 2024**

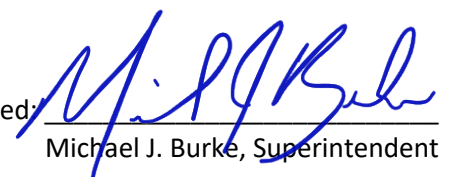

National Take Our Daughters and Sons to Work Day is scheduled for Thursday, April 25. To honor this event, the District will allow students (K-12) to accompany a parent or guardian to their workplace.

Students participating in Take Our Daughters and Sons to Work Day on **April 25** should submit a note to their school with notification of their impending absence. Participating students will receive an excused absence for the day.

District employees who want to bring their school-age child to their District workplace are advised to obtain approval in advance from their supervisor. Children can be kindergarten age and older. Employees are responsible for their children while they are on District property.

A list of Safety Procedure Guidelines, a Sample Parent/Guardian Letter, as well as a Sample ParentLink Script and Text Message, have been prepared. Documents are available in English, Spanish, Haitian Creole, and Portuguese at this link: <http://l.sdpbc.net/pm4xy>

Educators have found that Take Our Daughters and Sons to Work Day is relevant to several important academic goals. It allows for real-world experience to be obtained and applied to school studies, furthers partnerships between schools and the business community, encourages gender equality, and enhances mentoring programs.
